Parents' Association Annual Subscription

May 2022

Dear Parents/ Guardians,

On behalf of the Parents' Association, I am writing to seek your on-going support for our activities for the school year 2022/23. The aim of the Parents' Association is to assist the school in running activities and to promote parental involvement.

The money which we raise is used in supporting many activities that take place throughout the school year, including the following:

- 1st Year parents evening.
- 6th Year Graduation.
- The school Sports Day ice-creams and treats.
- Supporting the Debs Committee.
- Provision of refreshments at school events.
- Supporting guidance talks for Parents and Guardians at the AGM and in 2nd semester.
- Supporting various fundraising events.
- Support and Consultation on school plans and development.

As we slowly come back to normal day-to-day interactions with each other, we have noted that the interactive, informal and in-person relationships have started to reform – a welcome return. The Parents Association want to continue to build this back towards what it was – an informed and interested parents voice in the school.

Please assist the Loreto High School Parents' Association in its work to continue supporting the school, teachers and parents. The annual subscription is €10.00 per family. The subscription will be collected with your school fees invoice.

If you have any queries concerning this matter, please contact me or any member of the Committee through the email above. Thank you in anticipation of your assistance and support.
